

# Twice the Services of Other Providers

INCLUDED with your monthly service

## GET THE STEADFAST ADVANTAGE

With Steadfast, you are supported by the best and most comprehensive managed services from day one. All private cloud and dedicated server packages feature a premium layer of all-inclusive managed services—a benefit that we call the “Steadfast Advantage”.

### Why It’s Important

The Steadfast Advantage delivers complete peace of mind when it comes to your service operations. It is designed to protect and optimize your service by monitoring performance, conducting robust security scans, and pro-actively identifying any potential service concerns.

The Steadfast Advantage removes your day-to-day worries so that you can strengthen your focus on projects that will drive your core business.

For detailed descriptions of the included managed services, visit [www.steadfast.net/advantage](http://www.steadfast.net/advantage).
